Haringey Council

**Working Together To Tackle
Anti-Social Behaviour**

Dear Resident/Business Owners

Haringey Council is aware of your anti-social behaviour concerns: The drug dealing in the locality; the street drinkers congregating in the area, causing nuisance through littering, urinating and noise. The Council has been working with the police, who are carrying out regular patrols of Myddleton Road to try and identify suspects, to enable appropriate enforcement action. If you see anyone engaging in anti-social behaviour or causing a nuisance please report it.

**If you witness drug dealing or street drinkers,
please call the police immediately by dialling
101 or the Bounds Green Safer Neighbourhood Policing
Team on 0208 721 2676**

We recognise that seeing such behaviour is extremely unpleasant and can be very distressing to residents and detrimental to local businesses. Such behavior is unacceptable and the Council will take enforcement action wherever possible against identified perpetrators.

**Please also contact the Council's Anti-Social
Behaviour Action Team (ASBAT) on 020 8489 4693 to talk in
confidence to Vinnie Brown, the ASB Officer who is
investigating these issues in your area
TOGETHER WE CAN TACKLE ASB**

***Unfortunately if residents do not make reports we will be
unable to continue our investigation and will have to close
our case. So please call ASBAT if you have any information
relating to this ASB and/or possible perpetrators***

Sack Collection

Wheelie bins will be provided for residents wherever possible. However, at some properties there is not enough room in the front garden or yard for a bin, or there are too many steps down to the pavement for our collection crews to safely move a bin full of rubbish. In these locations residents will be asked to present their refuse in sacks for the normal collection. In addition, most **properties above shops** receive a daily or weekly sack collection.

Bulky Items Collection Service

Your standard weekly refuse collection service is suitable for most non-recyclable waste that you will need to put out, but some larger items will need to be collected separately. You can book special collections for bulky items through the council's contractor Veolia, which will pick up some reusable or recyclable items for free, and make a charge for other items.

All collections are booked through the
